RE: **REQUEST FOR COPIES OF RECORDS**

Dear Clerk of Court,

It has come to our attention that hundreds of consumers throughout Wyoming may have been damaged by materially deficient summonses used by Collection Professionals, Inc. ("CPI"). Attached is a list of civil action numbers for cases filed by CPI in your court within the last 12 months. We request copies of the summonses (to defendants and co-defendants) contained in each court file.

We understand your office is very busy and we offer our services in whatever way you see fit. If you gather the files, we can arrange a time to come and make our own copies. Or, if you want to offer over time to one of your staff, send us the bill and we will gladly pay it. We will accommodate and pay for your services, whatever the cost.

If there was another way to gather the evidence, we would do so. Class actions can be used to gather information from defendants through discovery, but unfortunately due the nature of the claim, the limited damages, and the inability to file a class action in Circuit Court, a class action would be detrimental to our clients.

Thank you for your time and we look forward to your response.

Sincerely,

Bret T. Allred
Attorney at law (*Licensed in Wyoming and Montana*)
